

## Approval of Halal Certification Applications for Novugen Pharma and Novugen Oncology Products

We are pleased to announce that Novugen has received APPROVAL for Halal certification applications from Jabatan Kemajuan Islam Malaysia (JAKIM) for both of our manufacturing facilities, Novugen Pharma and Novugen Oncology.

We are especially proud of our FIRST Halal certifications for 4 products, encompassing 6 SKUs for Novugen Oncology. Additionally, this marks our 3rd Halal certification for another 5 products, comprising 13 SKUs for Novugen Pharma. In total, Novugen now has 22 products with 45 SKUs that are Halal certified by JAKIM, including our Oncology products!

This milestone has positioned Novugen as the FIRST company in Malaysia and the Only in Southeast Asia with USFDA-approved pharmaceutical manufacturing facilities that are Halal-compliant for pharmaceutical products, including oncology.

The infographic features a blue background with a white wave-like shape at the top left containing the Novugen logo. Below this, a yellow banner reads "NOVUGEN PHARMA & NOVUGEN ONCOLOGY". Underneath, it states "TOTAL Halal-Certified Products to Date". The central text, in large yellow and white font, says "22 Products comprising of 45 SKUs". Below the text is a large, multi-colored arrangement of various pharmaceutical boxes and bottles. In the bottom left corner, there is a circular Halal certification logo with Arabic calligraphy and the word "HALAL" below it.

Our relentless pursuit of quality and excellence not only enhances our export capabilities to Muslim-majority countries but also demonstrates our commitment to rigorous global standards, ensuring peace of mind for patients from diverse backgrounds worldwide. Thank you Novugen team for the unwavering dedication and hard work to lead the way in excellence and innovation!
