

Highlights of Nostalgia Raya Celebration 2025

Honouring Tradition and Togetherness | 9 May 2025

This year's Hari Raya, we celebrated with the theme of Nostalgia Raya on 9 May 2025 that strengthened the spirit of joy and togetherness as we took a trip down memory lane, connecting over 250 colleagues across Novugen offices. While the event took place in separate spaces, we remained in harmony through a shared appreciation of traditions and Novugen's people-first culture.

The atmosphere was lively and nothing short of festive cheer, as employees dressed in coordinated traditional attire, played nostalgic childhood games, and embraced the timeless joy of Raya. While each office added its own unique flair to the Raya festivities, one thing was certain, they all fostered a strong sense of inclusivity. Highlights included the Group Photo Raya Challenge, and Traditional Games Competition, which brought back beloved classics like Batu Seremban and Ceper, sparking friendly competition and plenty of laughter.

A decadent spread featuring dessert tables and local favourites like the food truck Laksa Utara and Cendol added to the celebration, with colleagues of diverse backgrounds even contributing their own dishes, enriching the experience with a true taste of Malaysia's cultural diversity. The vibrant Raya-themed photo booth was a crowd favourite, as employees posed with themed props, capturing moments that perfectly reflected the festive spirit.

Nostalgia Raya Celebration 2025 truly reflects the unity we have built and the strong bonds that define our workplace. It is thanks to your support and enthusiasm that we continue to create an environment where every employee feels connected, valued, and celebrated. Thank you for making the event a success. Together, let's keep strengthening the spirit that makes our workplace special.
